## Christmas tips & advice this year

Don't forget we are open all day, if you fancy a pint, a sandwich (subject to availability), or just to pop in and see us, for a coffee and sit by our open fire.

Please consider your transport when you book. We recommend arranging return taxis in advance, to save you waiting time.

Also, don't forget we are always open on Sundays throughout the festive period, for a traditional lunch (12noon – 8.30pm).
